RODENT TREATMENT PROGRAM

CUSTOMER NAME: _____ DOCK: _____ SLIP: _____

Cottonwood Creek Marina offers the off-season service of placing Rodent Treatment packets on your boat to deter the presence of pests. The Rodent Program Packets are \$5.99 each (plus tax) for CCM Staff to rotate them for you. The program will run November 2019 through April 2020 (six months).

If you are interested, please return this form to the marina office (mail, email or in-person), and we'll start your treatment program. CCM will charge the invoice to your Auto-Bill credit card on file. If you do not have a card on file, payment is due within 15 days of invoicing.

You have the option to purchase individual Rodent Packets as needed from the Ships Store and execute the program on your own. The packets are \$4.99 each (plus tax) when purchased in the Ships Store.

Any questions about this program please contact Ryan or Jennifer at the marina office, 972-292-1100.
