

Bring a Friend to CCM - Referral Credit Available

Cottonwood Creek Marina offers a credit toward future slip rental for any tenant who brings in a friend to complete a contract. You, as the tenant, will get credit for one month's rent (the value is determined by the lesser of yours and the new tenant's slip rent). We'd love to have your friends out here. We'd also love to thank you for helping CCM grow by giving you the credit!

COURTESY REMINDERS

Trailer Inspections are now required when renewing a trailer when the tow weight is greater than 4500 pounds (including boat weight). This can be done at most state-certified vehicle inspection stations in Texas.

Water Toys should not be stored on the walkways between boat slips. Please secure them to your boat, to your decking, or deflate before you leave. We have an air compressor at the Ships Store to assist you with airing them back up as needed during our business hours.

Courtesy Carts are provided by Cottonwood Creek Marina for shared use among all tenants and customers. Please, immediately upon use of a cart return the cart to the front of the Ships Store or at the area at the head of the bridge in the parking lot. Do not keep carts at your slip so they can be shared by all tenants.

Also included in this envelope - Action Needed

On Account Form- If you wish to keep a credit card on file for incidental purchases, please complete this and return it to us.

Key Card Update- Please complete this form so we can keep our keycard readers up to date.

Clean Water Certification Program - Action Needed

The Clean Water Certification Program requires owners of boats with marine sanitation devices (MSDs) to obtain a decal, self-certifying that the MSD is operating properly to prevent the discharge of sewage into Texas waterways. The program is required under Texas law and is intended to protect and improve the quality of water in Texas. Visit the website below to get certified. Boats must be recertified every two years.
